Ten commandments of Bhaktology :

- 1) Thou shalt blame Nehru for everything - from Kashmir, to Islamism, to poverty, to westernization, to pollution, to the pot hole in the street of your locality.
- 2) Thou shalt always recite the evergreen mantra " What about 60 years of Congress rule "?
- 3) Thou shalt immediately label anyone opposing your ideological/ political views as an anti-national, sickular, commie.
- 4) Thou shalt claim to abhor mixing religion with politics and appeasement of any religious group, but will cheer for politicization of Hinduism and Hindu Rashtra.
- 5) Thou shalt always celebrate everything that Modijee does as revolutionary and " first time in the history of India "
- 6) Thou shalt believe in your mind that true Independence was only on 14th May 2014. And it was year zero for India. A la " destroy the old, forge the new "
- 7) Thou shalt be the pro bono publico advertisers of Pakistan tourism.
- 8) Thou shalt think India is only a few years short of becoming world superpower.
- 9) Thou shalt claim to uphold public discipline, law and order, but not utter a word against vigilantism and lynch mobs.
- 10) Thou shalt never speak against good inflation, good rise in price of petrol, and good increase in cost of railway tickets, because that's good, and in national interest.
