

To  
Hon. Chief Election Commissioners of India

Subject - Request to take action against hate speech by a Star Pracharak of a national party

Dear Sir,

I request you to take cognizance of the hate speech made by Hon. Prime Minister of India Shri. Narendra Modi, who is also a Star Pracharak of the Bharatiya Janata Party, in Rajasthan on 21 April 2024 while campaigning for the General Elections to the Lok Sabha 2024 as has been widely reported in various news media (for example, see <https://www.ndtv.com/india-news/lok-sabha-elections-2024-pm-narendra-modi-invokes-manmohan-singhs-muslim-remark-to-jab-congress-party-rebuts-5492647>).

This speech violates the model code of conduct set by the ECI. It distorts the facts which are already available in the public domain posing a serious challenge to all the initiatives taken by the ECI to prevent fake news and fact check all forms of communication.

By targeting Muslims using a pejorative language to seek votes, it seriously undermines India's stature as the 'Mother of Democracy' in the world. Further, approval of such hateful language that may alienate certain communities is at odds with egalitarian values enshrined in the Constitution of India and will only bring disrepute to India's position as a "Vishwa Guru" or World Leader in the comity of nations.

The ECI's failure to take any action against such hate speech will only undermine its credibility and autonomy that has been safeguarded and upheld by a series of exemplary officers before you.

We hope you will take cognizance of this issue and take the strictest possible action to restore the civilized discourse befitting to any great civilization which is our collective, proud heritage.

Thank you,
